

Congenital Heart Walk 

Long Island let's walk.

May 2nd

Sunken Meadow Park, Field 1

Check-In 9:30 AM

Walk 11:00 AM

**Join us or
donate** by
scanning our
QR code.

Walk with The Children's Heart Foundation and join in funding critical congenital heart defect research.

As the most common birth defect in the United States, CHDs affect 1 in 100 babies born each year. Every step of our inspiring one-mile walk helps advance life-saving research and transforms young lives through groundbreaking discoveries.

Together, we keep hope in motion.
