

Congenital  
Heart Walk 

# New England let's walk.

## May 9th

**Franklin Park Zoo, Boston**

Check-In 7:00 AM

Walk 8:45 AM

**Join us or  
donate by  
scanning our  
QR code.**

Walk with The Children's Heart Foundation and join in funding critical congenital heart defect research.

As the most common birth defect in the United States, CHDs affect 1 in 100 babies born each year. Every step of our inspiring one-mile walk helps advance life-saving research and transforms young lives through groundbreaking discoveries.

**Together, we keep hope in motion.**
